The water meter scheme has taken  
shape.  
This means a water meter in every  
flat and it means a general raise of  
rents on tenants.  
It also means a tremendous ex-  
pense to landlords.  
The only beneficiaries will be the  
makers of water meters.  
The City Water Department pro-  
poses to make 300,000 people in Chi-  
cago put in water meters.  
The tendency among office holders  
to ask for laws lengthening their  
terms of office is working up a strong  
feeling among the people for a recall  
law. When there is a recall law in  
operation the terms of the incum-  
bents can be regulated to suit the  
popular taste.

No imported beer on the market to-  
day has met with greater success than  
that handled by August Luchow. The  
Original Pilsener, from Pilsen, Bo-  
hemia, is sold by this big concern, as  
is also the famous Würzburger Hof-  
brau from Würzburg, Bavaria. These  
beers are the favorites at Chicago's  
leading clubs, restaurants and buffets.  
They are without a peer. The Chicago  
office of August Luchow are located in  
the Stock Exchange building, 20  
North LaSalle street and are under  
the management of Hans Luchow. Mr.  
Luchow has made a splendid record  
for the business in the West and he  
enjoys a widespread popularity among  
Chicago's leading business men and  
citizens.—Advertisement.
